

LEVEL 1 AWARD

IN ELECTRIC/HYBRID VEHICLE AWARENESS

(Light Vehicles, Heavy Vehicles, Bus, Coach And Municipal Vehicles)

ABOUT THE PROGRAMME

The content of this qualification has been designed to give learners the knowledge required to work safely around Electric/Hybrid vehicles. It contains one mandatory unit covering:

- The types of Electric/Hybrid vehicles available.
- Hazard associated with the motor vehicle high energy electrical systems.
- Working safely around Electric/Hybrid vehicles including charging.

On completing this qualification, learners will have acquired significant core knowledge of working safely around, but not maintain Electric/Hybrid vehicles. This programme is particularly suited to individuals in non-technical roles such as:

- Managers.
- Sales and aftersales advisor.
- Parts advisor.
- Valeters.
- Event staff.
- Vehicle recovery personnel.
- Vehicle dismantlers.
- Vehicle damage assessors.
- Electric/hybrid professional vehicles drivers.
- Retail customers.

QUALIFICATION

IMI Qualification Reference: 603/1465/5
(Light and Heavy Vehicles).

DURATION

This qualification is delivered over 1 day.

ABOUT THIS COURSE

This IMI qualification is an introduction to Electric/Hybrid vehicle technology and is intended to provide learners with awareness of Electric/Hybrid vehicle operation. This programme is particularly useful for people involved in the automotive retail industry as the growth in Electric/Hybrid vehicle market continues to increase.

FURTHER STUDY

This level 1 qualification provides essential knowledge and awareness of Electric/Hybrid vehicle technology. Further study for technically qualified personnel can be undertaken with the Level 2 Award in Electric/Hybrid Vehicle Routine Maintenance Activities and Level 3 Award in Electric/Hybrid Vehicle System Repair and Replacement. These qualifications further develop knowledge and skills within the technical role:

- Level 2 Award in Electric/Hybrid Vehicle Routine Maintenance Activities.
- Level 3 Award in Electric/Hybrid Vehicle System Repair and Replacement.
