

REACCREDITATION (POST 3 YEAR RENEWAL ROUTE) FOR BODYSHOP PAS 10125 ACCREDITED COMPANIES AND EV/HYBRID VEHICLES

A 1 day refresher course in an EV/Hybrid reaccreditation route for those technicians that have already completed either level 2, level 3 or level 4 award in the past and are now due renewal at the 3 year point.

AOM 230 ADAS Calibration. Again, a 1 day accreditation programme for technicians working in approved body shops with PAS 10125 accreditation that require their 3 year renewal.

REVAMP Training Limited has a dedicated fully equipped training facility located at Unit 1, Armstrong Way, North Seaton Industrial Estate, Ashington NE63 0YB.

Cost of reaccreditation available on request and is based upon a minimum of 4 delegates in attendance and a maximum of 6 delegates in attendance.

If you are interested in these refresher courses, please call 07837 226209 or email s.burr@revamptraining.co.uk
